The mission of Warner University is to graduate individuals who exemplify academic excellence and Christian character, who are prepared to lead and committed to serve.

Warner University’s liberal arts curriculum prepares students to successfully meet the demands of today’s workplace and the challenges of graduate school. Graduates emerge as servant leaders who evaluate issues from a Christian perspective while striving to live out their belief in their communities, churches and homes. The administration, faculty and staff are qualified in their areas of service, and dedicated to the ministry of higher education.

**History:** Warner University was founded in 1968 by the Church of God, Anderson, Indiana, as a liberal arts co-educational, Christian university. The campus was built on 300 acres donated by Mr. and Mrs. J.W. Holland. The first commencement took place in 1972 with four graduates. Only two presidents have led Warner University; Dr. Leroy Fulton (1968 - 1991) and Dr. Gregory V. Hall (1991 - Present)

Rankings: Warner University ranks #2 for percentage of employed graduates (70.9%) according to the 2014 report from Independent Colleges and Universities of Florida (ICUF) comparing the success of 2012-13 graduates from bachelor level programs among 30 member institutions.

Similarly, the US Department of Education College Scorecard (https://collegescorecard.ed.gov) shows the median earnings of former Warner University students who received federal financial aid at 10 years after entering school was $42,200 and above the national average of $34,343.

U.S. News and World Report’s “Best Colleges” 2016 edition ranked Warner University as #3 in the region for diversity on campus. Warner was also once again ranked among the Best Regional Universities in the South. Read more about current college rankings here: http://colleges.usnews.rankingsandreviews.com/best-colleges/rankings

Seniors participating in the 2013 National Survey of Student Engagement (NSSE) were more satisfied with their entire educational experience at Warner than were seniors at other participating 4 year institutions (92% rated their entire educational experience as good or excellent at Warner University).

Advancement: Construction on several new facilities will begin in 2016. With the largest freshman class in Warner University’s history, the necessity for more housing has become a top priority. The 100-bed facility to be built by Mainstreet, Inc. east of Clois Williams Hall will offer Warner students an exciting new option in housing. Plans are also being developed for new athletic venues which include, football, track, softball and upgrades to baseball.

The Ed and Myrtle Lou Swindle Agriculture Complex will provide specialized areas and facilities such as livestock and equipment barns, a greenhouse, and welding and carpentry shops to support the Ag curriculum. The facility will also provide three new classrooms, an administration building for faculty and a meeting pavilion for large groups that will meet the needs of the larger Warner community.

Warner is 5 miles south of Lake Wales, in Polk County, Florida. The 300-acre campus is found on Highway 27. Lake Wales is a town of approximately 12,000 and equal distance from Orlando and Tampa.
