

DEEDS TO THE 350 acres of land on which the Church of God college will be built were signed Friday. Seated are Mr. and Mrs. J. W. Holland, who donated the South Lake Wales property to the church group. Standing, left to right, are Dick Smith, vice chairman, and Kenneth Cleary, chairman of the board of trustees. Present plans call for ground breaking in 1966 and classes in 1967. Initial construction is estimated at \$2,000,000. — (Ruth Gilman, Photographer.)
